### VBYC MEMBERS CLEAN UP SPOIL ISLAND

In July 2016, the Club adopted Boat Club Island (IR25) and agreed to clean the island six times a year. To date we have cleaned the island (once unofficially) five times with over 50 Club members participating. In addition to cleaning, several members have been, under the guidance of Indian River Lagoon Aquatic Preserves & Friends of Spoil Island, clearing the northern part of the island for future Club events. On February 4, since there was very little to clean, Club members helped do some clearing.

Our next two island dates are March 29 & May 31. Watch for a Club email with more specifics as they will involve more clearing than cleaning. If you are cruising and curious, stop by and check out the progress. A special thanks to everyone who has participated in this Club outreach project.

# MARCH 2017
