FLORIDA COUNCIL OF YACHT CLUBS NEWS

The General Meeting at Coral Reef Y.C. had 29 of 36 clubs in attendance.

The Nominating Committee, of which I am a member, met to identify candidates for the Bridge who will be announced at the November meeting.

The 2017 Canada & New England Fall Colors Cruise will sail from Quebec City to New York from September 20-30th aboard Holland America's Zuiderdam. The cruise details are posted on the Club's bulletin board and on the VBYC website. Reserve early with VIP Travel of Sarasota for the lowest cost and best cabin selection.

Government Affairs advised that we have launched a campaign on behalf of Florida boaters against Ethanol, E-15 use in the marine industry. Letters have been sent to Senators, Congressmen and Environmental Committees.

Your Director briefed the Council on the Club's successful purchase of our pontoon boat, *Friendship*. Many clubs expressed interest and requested more details to assist them in launching similar programs. Shawn provided the information which was much appreciated. Our next meeting will be held at Smyrna Y.C. on November 11 & 12th with our P/C attorney's special presentation on 501c7 clubs and reciprocity.

VBYC VS. MATTHEW

Just in time for the first hurricane in 11 years, the new sea wall protected our Club, which was shuttered and ready to repel the hurricane force 4 winds. Let's hope it will be another dozen years, or more, before we are challenged again! Great job by Shawn, Staff and Members. Thank you!
