

VERO BEACH YACHT CLUB

Membership Programs

The Vero Beach Yacht Club welcomes Boaters and Non-Boaters alike for Membership. Club Memberships are available for families and singles. VBYC offers one of the best values in Vero Beach for a private club with modest initiation fees, monthly dues, and annual food and beverage minimums. Members enjoy reciprocal privileges with the Florida Council of Yacht Clubs (FCYC), Yacht Clubs of America (YCA) and seasonal privileges with area golf and beach clubs.

Applications are now being accepted. For more information, please submit the on-line Inquiry. A VBYC member will contact you shortly. You may also drop by the Club for more information.

Member Overview

Vero Beach Yacht Club Members typically share certain characteristics. They are friendly, sociable and enjoy participating in the many activities offered by the Club. Members often contribute their time, talents and knowledge by volunteering on various committees.

Membership Application Process

Membership begins with an application followed by an informal interview and Board approval. New Members are assigned an "Ambassador" who will introduce them to Club amenities and their fellow Members, making it easy to immediately feel "at home".

Membership Programs

The four membership programs are detailed below. The application process is the same for each.

Regular Membership

Regular Members enjoy the full schedule of Club amenities, events and privileges year round. Regular Members may act as Committee Chairs and serve on the Board of Directors. The Officers are chosen from the Regular Membership. Annual Membership fees are charged on a monthly basis, while Food and Beverage minimums are charged at the end of the year for those who may still have outstanding balances.

Legacy Membership

Legacy Memberships are available for new applicant offspring of current or past members of the Club. The initiation fee is discounted by a percentage for each year their parents as one unit were members. Legacy Members also enjoy the full range of Club amenities and privileges year round.

Trial Membership

Three-month Trial Memberships are available for those interested in joining the Club, but would like to experience it before making a decision. A Trial Membership can begin at any time during the calendar year. There is a one-time fee with no dues or minimums. Only Club purchases are charged. Trial Members do not have voting or reciprocal privileges during the trial period. If the Membership is converted to a Regular Membership at the end of trial, the trial fee is deducted from the full initiation fee. Trial Memberships are a one-time offer and cannot be repeated.

Summer Membership

Annual Summer Memberships, from May 1 to September 30, are available on a limited basis. Summer Members enjoy full privileges and use of the facilities for the term of their membership, except Club reciprocals and the right to vote or hold office. Pro-rata dues and minimums are assessed for the period.
